

## ASSURANCE: Part III

I John 3:19-24

1. Having a relationship with God through Jesus is the only HOPE for mankind to be able to live holy and apart from the corruption of this world.
2. The benchmark of our growth is our LOVE for God.
3. Routine and discipline help IMPROVE our prayer life.
4. Prayer builds our faith and our confidence. We gain confidence not in our ABILITY but in God's.
5. God wants to hear of all our hurts, desires, frustrations, joy, sadness and regrets. Then God will instill His will and His DESIRES will become our DESIRES.
6. *"This is our confidence that we have toward him, that if we ask anything according to his WILL, he hears us."*  
1 John 5:14
7. E.M. Bounds wrote, *"Nothing distinguishes the children of God so clearly and strongly as PRAYER. It is the one infallible mark and test of being Christian."*
8. Another *holy affection* is the desire to be OBEDIENT to God and to "keep his commandments". This obedience brings peace to the Christian life.
9. *"If you obey my commands, you will REMAIN in my love, just as I have obeyed my Father's commands and REMAIN in his love."* John 15:10
10. To NOT desire to seek God in prayer and pour one's heart out to God as one's Creator and Father is to live void of God's blessing.
11. The process of becoming more Christ-like in our life journey is only possible by the power of the SPIRIT.
12. What verse begins "For God so loved the world...?"
13. It is the power of God's Spirit that gives a Christian the complete assurance of SALVATION.
